PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-03-09-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mrs. Michelle W. Owenby, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15th Floor, Nashville, Tennessee 37243 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Any individuals with disabilities who wish to participate in these proceedings or to review these filings should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such initial contact may be in person, by writing, telephone, or other means, and should be made no less than ten (10) days prior to the hearing, or the date such party intends to review such filings, to allow time to provide such aid or service. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 22nd Floor, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, Nashville, TN 37243, (866) 253-5827 (toll free) or (615) 532-0200. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

The applicant is The Independent Funeral Group, Inc. dba East Tennessee Cremation Co. with a mailing address of 503 National Drive, Maryville, TN 37803. They seek to obtain an air contaminant permit (Division identification number 05-0051-06/977043) for construction of a human crematory unit located at the same address. This proposed operation would consist of a crematory and associated equipment used to incinerate human remains. This unit would be replacing an existing unit at this facility. Natural gas would be used for fuel. A secondary chamber with an afterburner would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. J. Dolzen is the assigned Division person.

The applicant is Toyota Boshoku Tennessee LLC with a mailing address of 3300 Ridgcrest Road Extended, Jackson, TN, 38305. They seek to obtain an air contaminant permit for contaminant sources located at the same address as follows:

(1) Metal Welding Operation (Division identification number: 57-0453-01 / 976187). This existing source consists of arc and spot welding stations and associated equipment used to manufacture metal components for automobile seats. Additional equipment will be added. Baghouses are used as air pollution control equipment. There would be physical construction. Regulated air contaminants are emitted by this source. Mr. E. King is the assigned Division person.

(2) Degreasing Operation (Division identification number: 57-0453-02 / 976187). This existing source consists of two (2) 175 gallon tanks and associated equipment used to clean and degrease floors. Because of the amount and type of emissions, the use of air pollution control equipment is not proposed. There would be no physical construction. Regulated air contaminants are emitted by this source. Mr. E. King is the assigned Division person.
